

# LA PÉTANQUE

## “CARREAU”

La boule du tireur prend la place de celle qu'elle vient de frapper (appelé également « fly, œuf, gel, arrêt buffet, rustine »)

*Hit and stay ! The perfect shot when the ball neatly replaces its target*

LES ROCHES  
BLANCHES

CASSIS

9, avenue des Calanques | 3260 Cassis

## “ESCAGASSER”

Dans le midi, battre à plate couture son adversaire  
*In the south of France, beat your opponent to the punch*

|                                                                                                                                                                                                        |  |                                                                                                                                                                                                 |  |
